

Mithra maintains its operational calendar

Liege, Belgium, 25 November 2022 – 18:55 CET – Mithra (Euronext Brussels: MITRA), a company dedicated to women's health, takes note of the market reaction to the evolution of the Company's share price, but wants to reaffirm its strategic intentions concerning its product-candidate Donesta®. The Company is therefore maintaining the operational calendar as announced on September 23rd at the half-year 2022 results.

Negotiations with potential partners to commercialize, the product-candidate, Donesta® are ongoing. The objective of announcing binding offers at the end of the year is maintained. The receipt of the first safety data from the Donesta® Phase 3 Study conducted in the United States and Canada is also expected by the end of 2022.

About Mithra

Mithra (Euronext: MITRA) is a Belgian biotech company dedicated to transforming Women's Health by offering new choices through innovation, with a particular focus on contraception and menopause. Mithra's goal is to develop products offering better efficacy, safety and convenience, meeting women's needs throughout their life span. Mithra explores the potential of the unique native estrogen estetrol in a wide range of applications in women health and beyond. After having successfully launched the first estetrol-based product in 2021, the contraceptive pill Estelle®, Mithra is now focusing on its second product Donesta®, the next-generation hormone therapy. Mithra also develops and manufactures complex therapeutics in the areas of contraception, menopause and hormone-dependent cancers. It offers partners a complete spectrum of research, development and specialist manufacturing at its technological platform Mithra CDMO. Active in more than 100 countries around the world, Mithra has an approximate headcount of 300 staff members and is headquartered in Liège, Belgium. www.mithra.com

ESTELLE®, DONESTA® are registered trademarks of Mithra Pharmaceuticals or one of its affiliates.

Important information

The contents of this announcement include statements that are, or may be deemed to be, "forward-looking statements". These forward-looking statements can be identified by the use of forward-looking terminology, including the words "believes", "estimates," "anticipates", "expects", "intends", "may", "will", "plans", "continue", "ongoing", "potential", "predict", "project", "target", "seek" or "should", and include statements the Company makes concerning the intended results of its strategy. By their nature, forward-looking statements involve risks and uncertainties and readers are cautioned that any such forward-looking statements are not guarantees of future performance. The Company's actual results may differ materially from those predicted by the forward-looking

statements. The Company undertakes no obligation to publicly update or revise forward-looking statements, except as may be required by law.
