

## Publication of a transparency notification received from Glenernie Capital

**Liege, Belgium, 28 November 2022 – 17:45 CET** – Mithra (Euronext Brussels: MITRA), a company dedicated to Women's Health today announces, in accordance with Article 14 of the Belgian Law of 2 May 2007 regarding the publication of major shareholdings in issuers whose securities are admitted to trading on a regulated market (the "Transparency Law"), that it received a notification of transparency from Glenernie Capital Ltd, with registered offices at Smithson Plaza, 13th Floor, 25 St. James's Street, London SW1A 1HA, on 23, November 2022.

Glenernie Capital has notified Mithra that following the acquisition of equivalent financial instruments allowing it to exercise direct voting rights on Mithra, it has crossed and consolidated the statutory threshold of 3% on 17, November 2022 (on 53,870,357 outstanding securities at the time of disclosure).

The detailed transparency notifications are available on the [Investors section](#) of Mithra's website. An updated overview of the Mithra's shareholders structure will be included in the corporate governance charter of Mithra, which will be made available on its website.

### About Mithra

*Mithra (Euronext: MITRA) is a Belgian biotech company dedicated to transforming Women's Health by offering new choices through innovation, with a particular focus on contraception and menopause. Mithra's goal is to develop products offering better efficacy, safety and convenience, meeting women's needs throughout their life span. Mithra explores the potential of the unique native estrogen estetrol in a wide range of applications in women health and beyond. After having successfully launched the first estetrol-based product in 2021, the contraceptive pill Estelle®, Mithra is now focusing on its second product Donesta®, the next-generation hormone therapy. Mithra also develops and manufactures complex therapeutics in the areas of contraception, menopause and hormone-dependent cancers. It offers partners a complete spectrum of research, development and specialist manufacturing at its technological platform Mithra CDMO. Active in more than 100 countries around the world, Mithra has an approximate headcount of 300 staff members and is headquartered in Liège, Belgium. [www.mithra.com](http://www.mithra.com)*

*ESTELLE®, DONESTA® are registered trademarks of Mithra Pharmaceuticals or one of its affiliates.*

### Important information

*The contents of this announcement include statements that are, or may be deemed to be, "forward-looking statements". These forward-looking statements can be identified by the use of forward-looking terminology,*

*including the words "believes", "estimates," "anticipates", "expects", "intends", "may", "will", "plans", "continue", "ongoing", "potential", "predict", "project", "target", "seek" or "should", and include statements the Company makes concerning the intended results of its strategy. By their nature, forward-looking statements involve risks and uncertainties and readers are cautioned that any such forward-looking statements are not guarantees of future performance. The Company's actual results may differ materially from those predicted by the forward-looking statements. The Company undertakes no obligation to publicly update or revise forward-looking statements, except as may be required by law.*
