

## Mithra reacts to the statements made by its Estetrol manufacturer

**Liege, Belgium, 8 February 2023 – 17:45 CET** – Mithra (Euronext Brussels: MITRA), a company dedicated to Women's Health, took note of the statements made in the press release of its Estetrol manufacturer.

At this stage, Mithra does not comment on those statements.

The payments in question are formally disputed and part of a broader complex factual situation.

These amounts have been provisioned and Mithra takes appropriate measures to protect its interests and those of its stakeholders.

Mithra will inform the market in due time in compliance with its obligations as a listed company.

### About Mithra

*Mithra (Euronext: MITRA) is a Belgian biotech company dedicated to transforming Women's Health by offering new choices through innovation, with a particular focus on contraception and menopause. Mithra's goal is to develop products offering better efficacy, safety and convenience, meeting women's needs throughout their life span. Mithra explores the potential of the unique native estrogen estetrol in a wide range of applications in women health and beyond. After having successfully launched the first estetrol-based product in 2021, the contraceptive pill Estelle<sup>®</sup>, Mithra is now focusing on its second product Donesta<sup>®</sup>, the next-generation hormone therapy. Mithra also offers partners a complete spectrum of solutions from early drug development, clinical batches and commercial manufacturing of complex polymeric products (vaginal ring, implants) and complex liquid injectables and biologicals (vials, pre-filled syringes or cartridges) at its technological platform Mithra CDMO. Active in more than 100 countries around the world, Mithra has an approximate headcount of 300 staff members and is headquartered in Liège, Belgium. [www.mithra.com](http://www.mithra.com)*
